

MEMORIAL OPPORTUNITIES AT ST. BONAVENTURE CHURCH

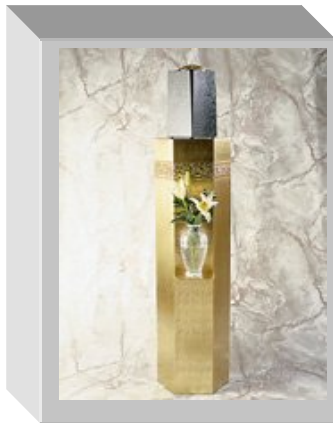

St. Bonaventure does not have an appropriate Ambry or Funeral Stand. These are the most pressing church furnishings that we need at this time. The other items show here are in need of replacement, but not immediately. Our budget does not allow us to replace these items at this time. However, if people are interested in donating them, the parish would be most grateful. Over time, there will be a need for communion cups, communion plates and vestments.

Altar furnishings are not inexpensive. Some very poorly made and mass produced items for church use often cost the same as better made hand-crafted items. The [Desmarais-Robitaille](#) company in Montreal design and manufacture all of the furnishings shown below. Most of our church furnishings are from this well respected studio.

Holy Water Vessel
A vessel used for sprinkling Holy Water during the Liturgy.
\$587

Thurible & Boat
These contain and burn the incense for the liturgy.
\$875

Funeral Stand
Ashes can be placed on this stand during a funeral.
\$1,185

Paschal Candle
This large tall candle is lit at Easter. It is used during the Easter season and at baptisms, funerals and other major feasts. The candle holder needs to reflect the dignity and solemnity of the Resurrection
\$1,925

Ambry
This display unit made of brass and glass contains the Holy Oils used in the Sacraments of the Church. The Ambry will be located near the baptismal font.
\$2,420
