Caring for Our Future

Building & Maintenance Update

The Building and Maintenance Committee has selected an architect to lead the projects that will be part of our "Caring for Our Future" campaign over the next few years. Seven firms expressed interest in this project and three were invited to make a presentation to the committee. Presentations took place on the evening of Wednesday, July 14 at which time the committee selected the firm of Montgomery Sisam. The committee will now proceed to develop an agreement with this firm. Then the work begins to develop the "master plan" for our property and in particular the projects proposed in our campaign. Details about our parish campaign are available on our website.
