Celebrating Catholic Education

May 2 to 7

"Rejoicing in Hope" the theme of Catholic Education Week reminds us to celebrate the wonderful gift of our publicly funded Catholic schools and the distinctive contribution that Catholic schools make to our students, our community, our society and the province at large. Catholic education continues to integrate Gospel values

into every aspect of the school's life and curriculum. To learn more about the difference Catholic schools make in our province visit www.goodnewsforall.ca
