### Caring for Our Future Campaign - Project Update

We have completed several of the remaining projects. We repaired the precast concrete beams in the roof of the Parish Centre by cladding them with aluminum. They look great and are now maintenance free. We have replaced all of the incandescent lighting in the Church, Parish Centre & Ministry Centre with LED lighting. This will cut back on future maintenance and is much brighter, energy efficient and great for the environment. We expect to see a decrease in our energy bills too.

We are working on replacing the boiler in the church. At the same time, we have been looking at options for providing air conditioning for the church. We have decided not to move forward with the air conditioning project at this time due to the significant cost involved. Once the boiler is replaced and all the projects complete, we will review the air conditioning options if we have sufficient funds.

The renovation in the Parish Centre kitchen has started the first week of July. We will not be able to use the kitchen for up to two months while the contractors are working. The kitchen should be completed by the end of August. As a result, Sunday Coffee has been cancelled for the summer. Planning for repairing the outdoor cross still continues. We will keep you posted on the progress.

### Help Protect Conscience Rights!

We thank all those who have written to their legislators regarding Bill C-14. Those who remain concerned are encouraged to visit [CanadiansforConscience.ca](http://CanadiansforConscience.ca) and join the Coalition for HealthCare and Conscience. The Coalition represents more than 110 healthcare facilities (with almost 18,000 care beds and 60,000 staff) and more than 5,000 physicians across Canada. The website will provide information on how you can express your concerns regarding conscience rights respectfully to our elected representatives and/or organizations overseeing health care across the country.
