JULY 3, 2016

**FOURTEENTH SUNDAY
IN ORDINARY TIME**

*IN TODAY'S GOSPEL, JESUS SENDS OUT
THE SEVENTY, LIKE LAMBS INTO THE
MIDST OF WOLVES, AND CALLS THEM TO
LEAVE THEIR MATERIAL GOODS BEHIND
AND BRING PEACE EVERYWHERE THEY GO.
TODAY, JESUS IS ALSO CALLING US TO
GO OUT IN FAITH AND BRING HIS PEACE
AND LOVE TO EVERYONE WE MEET.*

*THE READINGS GIVE US MUCH TO
REJOICE ABOUT. HOW COULD WE NOT
BOAST IN THE CROSS OF OUR LORD?
OUR NAMES ARE WRITTEN IN HEAVEN!*

Caring for Our Future Campaign - Project Update

We have completed several of the remaining projects. We repaired the precast concrete beams in the roof of the Parish Centre by cladding them with aluminum. They look great and are now maintenance free. We have replaced all of the incandescent lighting in the Church, Parish Centre & Ministry Centre with LED lighting. This will cut back on future maintenance and is much brighter, energy efficient and great for the environment. As a bonus, we expect to see a decrease in our energy bills!

We are working on replacing the boiler in the church. At the same time, we have been looking at options for providing air conditioning for the church. We have decided not to move forward with the air conditioning project at this time due to the significant cost involved. Once the boiler is replaced and all the projects complete, we will review the air conditioning options if we have sufficient funds.

We will start the renovation in the Parish Centre kitchen on July 4th. We will not be able to use the kitchen for up to two months while the contractors are working. The kitchen should be completed by September 1. As a result, Sunday Coffee has been cancelled for the summer. Planning for repairing the outdoor cross continues. We will keep you posted on the progress.

Euthanasia comes to Canada

"There are two ways, the way of life and the way to death, and there is a great difference between them." These wise words from an ancient Christian writer come to mind as we mark Parliament's enactment of the law implementing the Supreme Court's decision on euthanasia and assisted suicide, which is a fundamentally misguided decision.

We need to take immediate steps...

First, we need to make available for all Canadians (not just 30% of us) real medical assistance in dying: palliative care, where people who are dying are surrounded with love, and where any pain they experience is countered with the most advanced medical care available.

Second, we need to speak forthrightly. When people feel compelled to use language in a way that does not reveal what is actually happening, but instead conceals it, it is a sign that something is radically wrong (and they know it). The now officially accepted terminology, such as "Medical Assistance in Dying" does not describe medical assistance in dying; it describes killing. Let us say what we mean, and mean what we say.

Finally, we need to assure that those individuals who have dedicated their lives to healing will not be pressured into either directly causing the death of their patients, or into arranging for this to happen. Similarly, we must assure that those health care institutions which are havens of hope, in a tradition whose noble roots long predate Confederation, will in no way be forced to violate their conscience (known as their "mission").

"Lord, teach us the shortness of life, that we may gain wisdom of heart." -Psalm 90:12

Help Protect Conscience Rights!

We thank all those who have written to their legislators regarding Bill C-14. Those who remain concerned are encouraged to visit CanadiansforConscience.ca and join the Coalition for HealthCare and Conscience. The Coalition represents more than 110 healthcare facilities (with almost 18,000 care beds and 60,000 staff) and more than 5,000 physicians across Canada. The website will provide information on how you can express your concerns regarding conscience rights respectfully to our elected representatives and/or organizations overseeing health care across the country.
